

Double Blessings of Joel

Quick Reference Guide

Purpose of the Time of Double Blessing

Joel 2:12-14 is a call to repentance and turning to God with all your heart because "...who knows? He may turn and relent and leave a blessing behind Him SO YOU CAN OFFER GRAIN AND WINE TO THE LORD YOUR GOD." The Time of Double Blessing is not about you and the things that you want or even need. It is about allowing God to bless you in excessive and miraculous ways for one purpose only – so that you can bring offerings to Him and Glorify His Holy Name.

The month of Elul is a time to pray for guidance; a time to hear the Lord speak of the gifts He has prepared for you. What gifts are waiting for you to desire them and believe Him enough to ask for them? What gifts, when added to those you already possess, will most increase your ability to glorify Him?

Do Not Come Empty-Handed

It is so human of us to get excited about blessings and forget that we are never to come before the Lord empty-handed. (Exodus 23:15)

When Jesus turned over the tables of the money-changers, He was indicting the open greed practiced within the temple walls. He never spoke against the offerings themselves, even though He knew they would soon be replaced by His own Offering.

Cain's choice offering was rejected because it was not the prescribed blood-offering of God's choosing. Yet the blood of calves and lambs is not mentioned in Joel's account. Instead, God required the offering of fasting and repentance. During the time of Elul, as you ask the Lord what gifts He wants you to request, ask also what gifts He wants you to bring. He may even impress you that the gift should be given somewhere other than your local church. Just remember not to come empty-handed.
